Corporate Use Only:

FUNDRAISER FORM

Thanks for choosing Frontera to host your fundraising event.

We will provide you with a digital flyer design for the event. You will be responsible for the printing and distribution.

During the time of the event, it is imperative that the guests hand in the flyer to our staff, since that will be the way we will assign the money to your fund. For every guest that dines with us during the event and presents your flyer, Frontera Mex-Mex Grill will relocate 10% of the check's subtotal to your organization's fund, without including tax and/or gratuity.

If you are interested in hosting your event with us, please fill out this entire form.
